

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
GREAT FALLS DIVISION**

UNITED STATES OF AMERICA, Plaintiff, vs. MYCHAL THOMAS DAMON, Defendant.	CR 19-45-GF-BMM ORDER GRANTING MOTION TO REVOKE PRETRIAL RELEASE AND ISSUING WARRANT
---	---

The United States has moved to revoke the defendant's pretrial release. I find there is probable cause to believe the defendant has violated his conditions of release, supported by the affidavit of the U.S. Pretrial Services Officer given under penalty of perjury. The Court grants the motion and orders the issuance of a WARRANT.

DATED this 1st day of August, 2019.

John Johnston
United States Magistrate Judge
